

Why not advertise in the
PHILIPPINE ALERT
circulation may be small—about 250
BUT
it goes to people who make decisions:

- 150 chief executives of MNCs
- The President and some of the key Cabinet secretaries
- Selected Senators and the Speaker of the House
- 20 embassies and international aid agencies
- Selected leaders in media

This is a high level, specifically targeted report that gets to the right people—and is actually read by them. Your participation could only add to its impact.

Advertising rates are, per month:
